

Dear Parents and Carers

I am delighted to welcome your child to the Bohunt Education Trust (BET) family.

It is a privilege to lead this successful and happy group of schools, and to work in partnership with enthusiastic and ambitious students, committed staff and supportive parents and governors. Our trust ethos is: 'enjoy respect achieve' – and across the Trust, we are proud of our students' compassion, as well as their achievements both in terms of academic and wider successes.

At BET, we offer an unparalleled range of opportunities to young people of all talents and abilities, regardless of background, and pride ourselves on the quality of individual support we provide. We have high expectations and aim to prepare our students to become 'game-changers' – those who are not afraid to think differently, nor to challenge the status quo.

Everything we do is centred on ensuring that each student is educated and supported to succeed in the world today – as an individual, a member of a team and as a global citizen.

It is likely that your child will have returned to school within the last few weeks and enjoyed seeing their friends and teachers once again, albeit in different circumstances and that they – and you – will be using the coming weeks to prepare for their start at secondary school.

Despite these uncertain times, we are working harder than ever with our colleagues in your child's primary school to make their journey to Bohunt an enjoyable and successful one. Our aim is for our schools to be inclusive, kind and welcoming and we take transition very seriously.

We aim to ensure that progression from primary to secondary school is as smooth as possible and minimises any disruption or anxiety. For this to happen, your school will have communicated the 'stages' of its transition process, which will include video introductions and details on the pastoral structure. If you have any questions, please do get in touch directly with us, we will be happy to help.

I hope that your child enjoys the remaining few weeks of school and the summer holidays. The BET community and I look forward to working with you to ensure your child's happiness and success throughout the next phase in their education. We look forward to welcoming you in September.

Yours faithfully

Neil Strowger
Trust Leader
