

20 May 2022

Dear Year 7 Parents/Carers

As part of our Tuition Strategy, we are keen to support more Year 7 students over the next half term in either additional English or Maths sessions.

This would involve online tuition, which they can access from home with MyTutor, a company that specialises in supporting students with a particular focus on Maths and English. All Tutors have been CRB checked and specialise in that subject.

There will be 10 sessions over the next 5 weeks commencing on Monday 6th June. These will be 1:3 Sessions and will occur each Monday and Wednesday from 6- 7 pm from home using an iPad. Research has shown that the pupils being tutored by MyTutor made one whole grade of progress on average, 2.5 times the progress of their peers who did not receive additional tuition.

We expect these sessions to be given to those who submit expressions of interest first. We have 45 places that are free of charge usually costing between £30- £40 an hour. This is a national initiative that the DfE are funding alongside Priory School. Already we have had over 600 students partake in blocks of tuition since January 2021; in turn supporting their progress.

Please discuss this tuition with your child and if you are keen, please submit this expression of interest form by the end of Monday 23rd May 2022. A commitment must be to attend all sessions, as places are limited for this opportunity. Please note that if your child has already had online tuition this academic year, they are **not** entitled to access more until September 2022.
