

School reopening - Thursday 14 December

Dear Parents/Carers,

Good afternoon. Following yesterday's extraordinary circumstances I am pleased to confirm the full reopening of Priory tomorrow.

This has only been possible due to the brilliant response and tireless work of our site and IT teams, in conjunction with local engineers, electricians and fire safety experts who have been working flat out since mid-afternoon yesterday to get the school back up and running.

We now have heating and lighting across the site and internet across most of the site.

Both performances of our production, "Panto" will run as advertised at 4.30 pm and 7.30 pm tonight.

Students will return to school tomorrow at 8.30 am as usual.

Non-School Uniform Day - Please be reminded that tomorrow is our charity fundraising day and students will be required to bring £1.00 if they are in their own clothes.

The 12 days of Christmas activities scheduled for today will be run tomorrow instead. Students can buy candy-canes to send to each other with messages on, and there is a festive tombola to buy tickets for. If students wish to take part in these please advise them to bring in £1 & 50p coins.

Year 11 Mock results Evening - Will run Thursday night as previously advertised, in the Main Hall at 6 pm.

Friday 15 December - Final day of term-students will leave the premises at 12.30 pm

Thank you so much for your patience and messages of support. The most important thing is that everyone is safe and well and the school is open tomorrow. We look forward to seeing your children for the final two days of term.

Yours sincerely

Mr Vaughan
